

# Film Club Permission Slip

Dear Parents and Guardians,

Your student has expressed interest in joining Shawnee High School's Film Club. Throughout the year, the Film Club will watch a selection of movies nominated and chosen by students in the club. Some films will be rated R. Undoubtedly, many of the films students chose will address difficult issues. One of my jobs as the club's advisor is to ensure that these issues are addressed in a safe, meaningful, and constructive manner.

Students will obtain and watch all films outside of Shawnee. Club meetings at Shawnee will involve discussion and analysis of the films. Students can either obtain copies of the movies on their own or participate in viewing parties planned with other members of the club. I highly recommend that you take an active role in discussing and approving your student's viewing of the films the club chooses throughout the year. It is your right to decide if you don't want your student watching something that you deem inappropriate. If you have any questions, please don't hesitate to contact me at the email address or phone number listed below. Thank you for your time and open mind.

=====Return This Portion=====

I give permission for my student to participate in Shawnee's Film Club. I understand that the club will sometimes select R-rated films to view outside of school and that it is my responsibility to communicate with my student regarding the films being watched for the club and to determine if there are any films that I don't want him or her to watch.
