

RESPONSIBILITY STATEMENT

Any damages to any property or furnishing in hotel rooms or building must be paid for by the individual and/or chapter responsible. Damages are the ultimate responsibility of the advisor and the local school district.

Each advisor must decide who will be responsible for the rooms that will be occupied by the students and chaperones representing their school. One school official may sign for all students or each parent may sign individually - that is up to the chapter advisor and/or the school administration.
