The Board of Education believes that access to unlimited educational experiences is essential for promoting personal growth. Some extracurricular experiences are best conducted outside the regular school program. The Board of Education will maintain the **Athletic and Extracurricular Activity Participation Fee** with no increase for the 2017-2018 school year. One annual fee will be administered to all students participating in at least one athletic or extracurricular activity that requires a Board of Education paid advisor. Please see the attached list that illustrates all athletic and extracurricular activities that have paid coaches and advisors. Students that pay one annual fee will have access to ALL athletic and extracurricular activities for that school year only.

The fee will be assessed once per school year at a rate established by the Board of Education. The fee for the 2017-2018 school year will be \$200 with a maximum of \$400 per family\*. The student must submit the Athletic and Extracurricular Activity Participation Fee payment prior to the fall season or prior to the participation in an activity (including tryouts). The fee is good for that school year only.

The fee will be paid through an electronic payment system that will be accessible on the district and school web pages as of August 1, 2017. Go to [www.LRHSD.org](http://www.LRHSD.org) and look for *Participation Fee Payment* to submit the fee for the upcoming school year.

The fee is non-refundable unless the student is cut from the athletic/activity roster and did not participate in any other athletic/extracurricular activities for the remainder of the school year. Refunds will be issued during the summer after all student obligations have been fulfilled. Any outstanding student obligations will be deducted from the refund at that time. Students who voluntarily drop out of an activity will forfeit their fee. A refund request form must be completed and submitted by June 30th of that year or the fee will be forfeited. Forms are available in the high school main office.

The Athletic and Extracurricular Activity Participation Fee entitles the participant access to athletic or extracurricular activities and does not guarantee position, role or playing time. It does not guarantee the participant or his/her family, parent or guardian control over any conditions, guidelines or policies regarding the team or activities.

It is the intent of the Board of Education that no student is denied the opportunity for an educational experience due to financial hardship. Students who qualify for the Federal Free and Reduced Lunch Program are exempt from paying the Athletic and Extracurricular Activity Participation Fee.
