NAMES

ONLY PUT YOUR BIRTHDATE AT TOP OF ESSAY-NO

Keep essays to under 500 words.

“Recent years has brought about an extreme lack of skilled trade workers. Many highly skilled workers seem to have disappeared. New hires over sell themselves during an interview and ultimately end up losing their job. Employees appear to expect income raises for employment longevity, as opposed to the acquisition and implementation of new skills. Bearing in mind the craft/skilled trade you plan to possess, what is your recommendation to improving the gaining and retention of skilled trade employees who possess a forward thinking, mentality?”

“Having skill will be a large part of being successful in your trade. As well as the skill you will acquire in school, what interpersonal skills do you possess, that you believe are as important as the physical skill? Please provide examples of how you demonstrate these skills in your life.”

- Provide 1 letter of recommendation, from a teacher
- Submit an unofficial school transcript
- Submit a list of extra-curricular activities, athletics, honors, community service, employment, and any other activity that you feel describes you and your interests. (See attached sheets.)
