

Scholarship Application Form for the Nicholas Sayles Memorial *WishList* Fund

About the Scholarship

Nicholas lived with a great deal of passion in all that he did. Whether it was studying towards dual medical/law degrees, watching Michigan football (last national championship in 1997), or just visiting with friends, he always brought a contagious enthusiasm. A music lover, Nick's favorite band was Pearl Jam, who he saw countless times in concert and whose song title this scholarship is named after. I know not one of his friends/family can listen to this group and not see his smile, hear his voice or remember his magnetic personality. He was truly the perfect role model for how to be a good son, grandson, friend, brother and husband. Nick graduated Shawnee High School in 1997.

We believe in the "ripple effect" of helping others and through Nicholas' name, we hope to help other aspiring medical professionals help our community and world at large. Thank you for considering our scholarship and we wish you all the best in your future endeavors!
