Bradley Bauer, *Principal*

July 2023

Junior and Senior Seneca Students:

If you intend to drive to school during the 2023-24 academic school year and are eligible according to Board of Education Policy 5510, you are required to fill out the *on-line Student Parking Permit Application* and acquire a parking permit. You must be logged in to your school google account to access the application. The online application requires you to submit a digital copy of your vehicle registration, insurance card and driver's license. You should have those digital copies ready when you apply.

Please click [HERE](#) to start the process to obtain a **Student Parking Permit**.

When approved you will receive an email to **your student school email address**. The email will direct you to submit the \$100.00 parking fee through SchoolCash online. Checks will no longer be accepted for the parking fee. Please do not come to the school to obtain your parking spot until you receive an email to your school email address explaining how to pay and payment has been made. You should bring a copy of the confirmation page when you come to Seneca.

SENIORS may apply beginning **August 14, 2023**.

JUNIORS may apply beginning **August 21, 2023**.

All student parking will be in the rear lots between the school and the stadium. Seniors will continue to park in the senior lot (directly in front of the stadium) and juniors will continue to park in the junior lot (furthest from the school). Students will be assigned spots rather than choosing their own spot as we continue to crack down on illegal parking. Students will be able to choose to have their parking spot close to the school or close to the stadium. Spaces cannot be reserved without all of the proper paperwork completed and all spots will be assigned on a "first come, first serve" basis.

You may not change your space once a permit is issued! If you acquire a new vehicle during the school year, or you are driving a vehicle other than the one registered with the school, please see Mrs. Fusco in the main office. Please contact the Main Office if you have any questions.

The administration, faculty and staff remind you to DRIVE SAFELY!

Sincerely,

David Maier

Assistant Principal
