

SENECA HIGH SCHOOL

STUDENT ANNOUNCEMENTS

January 11, 2019

WHAT'S NEW AT SENECA!

What's New!

Exciting changes are happening in the health offices. Starting Monday January 14th there will be 2 health offices. The 9th and 10th graders will see Mrs. Mehigan. The office is located next to guidance across from the photo and art rooms. Do not use the guidance entrance. The health office has its own entrance and computer to sign in on. The 9/10 office will be closed each day from 12:45pm until 1:30pm. The 11th and 12th graders should report to Ms. Devine in the original health office by the gym. It will be closed each day from 11:30am until 12:15pm. In case of an emergency please go to the closest health office. Due to these changes we are encouraging you to come to your health office at lunch and learn for all of your medical notes, PE questions and working papers. If you are ever unsure of which office to use come to the closest and we will direct you. Thank you.

In 2013, ARVF spearheaded the initiative getting the U.S. Senate to unanimously pass a resolution designating the 3rd week in January as Teen Cancer Awareness Week (TCAW) to promote awareness of the unique medical and social needs of teens with cancer. For every dollar donated, 84 cents goes directly towards supporting a hospitalized teen. One Bandanna bought makes a difference!
