

Motivational Quote Canva Poster Project

Creating a Canva Account:

1. Go to <https://www.canva.com/> to sign up for an account
 - a. Click on the green button to *Sign up with Email*
 - b. Enter your full name, email, and password. Use your Lenape email address.
 - c. On the next screen, Click *Education*
 - d. The next screen allows you to pick what you want to design. Take a look around this screen to see what else Canva can be used for.
 - e. Once you are done, click *Play with Canva* at the bottom of the screen.
 - f. Exit out of this screen and begin!

2. Dimensions for the project:
 - a. Click *Use Custom Dimensions*
 - b. Change *px* to *in*
 - c. The width is *8.5* and the height is *11*
 - d. Then click *Design*

Requirements for Project:

1. Find a motivational quote on the Internet that speaks to you. Just make sure that it is school appropriate.
2. Change the font size, color, style
3. Add lines, shapes, and pictures to enhance your design

The assignment is worth 20 points.

The best flyer will be printed and hung up around the room
and possibly the school!

Have fun and be creative!
