  2. Sign up for a Visme account.
    - a. Go to [Visme](https://www.visme.co/) for this project (<https://www.visme.co/>).
    - b. Click the *Sign up for Free* button in the upper right-hand corner of your screen
    - c. Click *Google* button and login to your Lenape account.
  3. Click the *Custom Size* button.
  4. Choose *Infographic (800 x 2000 px)*
  5. Begin designing your infographic/timeline.
    - a. Include a title and by your name. Format the text to be something other than the default text that is inserted.
    - b. Add a vertical straight line down the center of your infographic. Format line so it goes along with the color scheme you are using.
    - c. Add the celebrity's birth to the top of the line. Format the text and the shape that holds the text to match the colors you are using.
    - d. Add the first event from the brainstorming/research you already completed.
    - e. For each event, you must include:
      - i. The date of the event
      - ii. What happened?
      - iii. Box or shape around the text.
      - iv. Picture, icon, clipart, etc representing the event.
        1. You can either get these from Visme or you can download them to your computer and upload them to Visme.
    - f. You should have the birthdate as well as eight events for this project!
      - i. Include a picture or a Prezi symbol for each event.
  6. When you are completed, click the *Share* button. *Publish for Web* is the default, keep this setting. Once published, copy the URL and email it to your teacher for a grade!
