

FUTURE BUSINESS LEADERS OF AMERICA

End of the Year Meeting Notes

◆ Activities Fair at Freshman Orientation

The club will be having a table at the Freshmen Orientation. Are you interested in helping and talking to the students about FBLA?

- When: August 29th
 - Time: 5 to 7:30pm
 - Need five volunteers to work the FBLA table. Email me if you are available and interested.
 - I will not be there. If I am not, Mr. Laddey or Mr. Hand will have the flyers for the event.
-

◆ Service Project for next year

If you are interested in organizing and leading a service project for the club, please send me an email and we can see what we can do.

- Please be specific in your email as to what you are thinking.
 - We have not run a service project in a few year. I would love to see one implemented but it is on you guys to come up with a plan and execute it every step of the way.
-

◆ Fundraiser for next year

If you are interested in organizing and leading a fundraiser for the club, please send me an email and we can see what we can do.

- Again, please be specific in your email as to what you are thinking.
 - I have already set up two Pancheros fundraisers for next year so the idea would need to be something other than a Dine and Donate.
-

◆ Suggestions

Any other suggestions to improve the club for next year.....you can be honest! If you have any, please send me an email and I will see what I can do.

At this point, I do not have officers because of the lack of work that the members of the club can do. I'm open to the idea of having them but it is your job to convince why having officers is needed and what roles you see the officers having.

*I have truly enjoyed being the advisor for FBLA this year.
I will miss all the seniors. Good luck with everything that you do!!!*
