

# Lenape High School Business Education

*Education that makes Cents!*

## *Did you know...?*

- \* 80% of college-bound seniors don't know what they want to major in.
- \* 50% of college students who declare a major will change it at least once.
- \* The average cost for U.S. public university is about \$20,000 per year.
- \* Of the 1,840,000 degrees awarded in 2013,
  - o 20% were business
  - o 10% were health professions
  - o 10% were history
  - o 6% were psychology
  - o 6% were education
- \* Business was also the most popular Master's degree in 2013.

## *Why should your child take a Business Education course at Lenape?*

- \* Business Education courses allow your child to explore career interests.
- \* Business Education courses help your child develop knowledge in personal finance, time management, organizational skills, computer skills, and goal setting.
- \* Most students learn best in courses that offer hands-on experience. Business Education courses add new dimensions to learning through applied activities.
- \* Communication skills, self-confidence, self-awareness, good work habits, problem solving, critical thinking, punctuality, reliability, teamwork, and leadership are learned in Business Education classes.
- \* Business Education courses prepare your child for a well-paying, satisfying career in any of a wide variety of fields in the business world. Regardless of the area studied, business knowledge is always needed.

***Business Education prepares your child  
to succeed in the workforce!***
