July 2019

Dear Student:

If you intend to drive to school during the 2019-2020 academic school year and are eligible according to the Board of Education Policy, you are required to fill out the *on-line Student Parking Permit Application* and acquire a parking permit. To complete the on-line application:

Please click [HERE](#) to start the **Student Parking Process**.

and follow the directions under Student Parking. When approved you will receive an email to **your student email address**. The email will direct you to submit the \$50.00 (on-line) parking fee. When picking up your parking sticker in the main office, you must submit a valid insurance card, valid driver's license and valid registration (for copying).

Seniors may register beginning August 1, 2019 (between 8 am and 3 pm).
Juniors may register beginning August 12, 2019 (between 8 am and 3 pm).

All student parking will be in the rear lot. Option 2 (Early Release Students) will be assigned to a specific area. Spaces cannot be reserved without proper paperwork completed and all spots will be assigned on a "first come first serve" basis. Seniors will have priority if spaces become limited.

You may not change your space once a permit is issued! Students are not permitted to park in the visitor's lot! If you acquire a new vehicle during the school year, or you are driving a vehicle other than the one registered with the school, you must complete a new Student Parking Application for the vehicle.

Please contact the Main Office if you have any questions.

The administration, faculty and staff remind you to DRIVE SAFELY!

Sincerely,

David Maier
Assistant Principal
