**Stage 3 – Learning Plan**

*Suggested Learning Activities to Include Differentiated Instruction and Interdisciplinary Connections: Each learning activity listed must be accompanied by a learning goal of A= Acquiring basic knowledge and skills, M= Making meaning and/or a T= Transfer.*

- Students will watch and discuss videos of other choirs demonstrating the proper and/or improper use of performance etiquette. (A)
- Students will work in sectionals to improve the rhythmic and musical accuracy of a piece of music. (M)
- Students will participate in choral festivals, competitions, and choir tours. (M)
- Designate a group of students to demonstrate improper performance etiquette. The rest of the choir will observe the performance and list the improper behaviors being demonstrated. Groups will discuss the observation and the same group will perform again correcting the discussed behavior. (M)
- Students will choose a song and write a short story giving their interpretation of the piece. (T)
- Using their IPAD, students will create a timeline of historical periods and choose a piece of choral literature that correlates with that period. Students will work in sectionals to improve the rhythmic and musical accuracy of a piece of music. (T)
- Students will brainstorm possible community and festival venues to perform for the public. They must set up the logistical and musical aspects of the event, including a music program or set list. (T)
